

## Locator – Creating description file (.dsc fil)

### *Creating description file (.dsc file) for Locator*

When the title block has been filled in correctly, click on the button 'Skriv til DSC-fil' (Write to DSC file).

A .dsc file is now created and a MicroStation window opens and asks where the dsc file should be saved.

**Internals** in the Danish Road Directorate shall save the dsc file under T:\Input\  
**Externals** shall save the file in the same folder as the PDF drawing in ProjectWise.

#### DISCLAIMER

The translation into English of Quality Management Systems is to be regarded entirely as a service. In the event of any discrepancy or shortcomings in the translation, the Danish version will prevail. At any time the Danish versions of Quality Management Systems are those in force.
